

Matthew 1:21

She will give birth to a son, and give him the name **Jesus**, because he will save his people from their sins.”

Checks

Since the closing of Salin Bank here in Burlington, we have had to make some adjustments regarding the payment of policy premiums. If you bring your payment into our office (rather than mailing it directly to the insurance company) the check must now be made payable to the Brewster Insurance

Agency. Payments to your policies are always more quickly applied when you pay here at our office - and we love seeing you! So keep coming in to make your payments, just make sure your check is payable to Brewster Insurance!

Christmas Gifts

How about giving a life policy to a loved one this year?

If you are an Auto Owners or Property Owners Insurance policy holder you might be able to obtain a life insurance policy at no cost!

How can you do this? The Auto Owners and Property Owners Insurance Company gives credits on your home, auto and commercial policies if you also have life insurance with them. Many times the credits on your other policies will pay for the life policy.

Call our office and ask for Jay or Curt to discuss plan options and pricing.

New State Law

Indiana State Legislation has recently changed the time that you have to inform your insurance agent about a change in vehicles.

You now have ONLY 4 DAYS to notify us of a new/different vehicle you acquire.

If we aren't notified that you want coverage on a different vehicle within 4 days there is NO coverage for that vehicle.

If your car dealer promises to call us, please don't rely on them to do this. Over 90% of the time they do not call!!

If you make a car change, please call us yourself to avoid a lapse in coverage.
