Another Spring has arrived...

It has been a little while since our last newsletter. We hope that your holidays and our mild winter weather treated you well!

Farmers are farming. Gardeners are gardening. Perennials are showing their beauty too. It's a great time to "make all things new" with our homes as well. As a result accidents happen and sometimes they're serious. Take the time to make sure you have proper insurance on your property and yourself. Life can change in a second... Afterwards it will be much easier to have a worry-free summer.

We can enjoy those long evenings with a glass of tea on the porch. Or a long weekend on the lake. How about arranging your own flowers in a vase for your table? Maybe have a campfire with your grandchildren. Take a walk with your sweetheart. The ideas for summer are endless – ENJOY!!!

Regarding Flood Insurance

Some quick facts:

- 1) You do not have to live in a flood zone to purchase flood insurance
- 2) Surface water is considered flood and is not covered by homeowners policies
- 3) If you purchase a home in a flood zone the mortgagee will require flood insurance
- 4) Annual premiums can be anywhere from \$400.00 - \$5,000.00+ per year

If we have provided good service to you will you please pass our name and phone number on to your relatives and friends? Our best source of new clients is YOU!
